NEW Library Campaign

Plans for the NEW Library are underway.

If you would like to make a donation to the capital campaign then please see the Library website

www.ssarl.org.

Follow the links to make your tax deductible contribution.

We're all so excited....!

Dufresne Donation

Dufresne Furniture has donated \$5,000 to our NEW Library Campaign through their \$1 Million Charity Challenge.

Thank You -
Thank You.

*Dear Readers,
February is I LOVE to Read month - I challenge you to read, just "One More". Just one more news article, one more magazine or one more book...
Bring it.
Libby*

 **Red River North
Regional Library**

Volume 5 Issue 2, Feb 2012

Mobile APP

The Red River Library Consortium is the FIRST in the province (including Winnipeg) to provide its patrons with the option of a mobile app! It's incredibly simple to install and allows users to search the Library catalogue with ease. Ask at the desk for your handout or watch the YouTube install videos - just search for Destiny Quest.

Once the mobile app is installed, type in this number (24.76.92.231) to be directed to our Library.

I LOVE to Read

We love February at the Library - not only are we promoting literacy this month but it also means that the Library Road Show gets underway. This year Rita Book and Leesa will be sharing stories all over the Lord Selkirk School division. They even have a date with the children as far away as Walter Whyte School.

New Library Update

The draft plans for the new Library are on display behind the circulation desk. Have a look at the new layout and you will notice that every section will be three times larger than our existing footprint. If you would like to make a donation to the capital campaign for collection development and furnishing please follow the links on our website at www.ssarl.org.

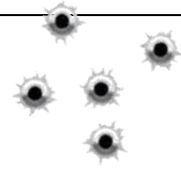

Thank you to all the folks in our three municipalities that continue to support our building project!

HALO Prop Workshop

Friday, February 17th from 6:30 to 7:30pm

Would you like to assemble your own Halo prop?
Join Don from Light Expressions and learn how to create your own Halo gun prop from old water gun parts. The results are amazing.

Call the Library at 482-3522 to register (only 12 spots available).
For Teens grades 7-12
